Products

About us

History

GS&T S.r.l. was founded at the beginning of 2000, as a typically family owned Company with a limited number of employees to guarantee high flexibility, fast decision making and accurate customer care, in order to comply with today's Market requirements and expectations. [\(more\)](#)

News

Please be welcome to visit us at **BALKAN PACKAGING** exhibition, Sofia 1-4 Nov. 2006, at the booth Punto Italia ICE

Metal packaging machinery

A complete range of reliable and innovative high quality equipment for the production of metal packaging machinery including big size round or square water heaters and metal containers in general, featuring new design for user friendly and trouble free operation.
